

Extract from the Regulation of organisation

The National Contest of Essays: Symbols in the Universe of Knowledge

-XV-edition-

Pupil's age: 12-19. 1-3 students can work in team for an essay/poster.

Language of communication: English, French, Romanian.

1. Information about the event in high school and in other schools around the country

This is a set up activity: invitations and the participation form are sent

Date/period: November, **10th January – February 26th, 2014**

This activity will use the following methods of achievement: production of posters, description and advertisement of the event on the high school site.

2. Joining the session

This is an organizational activity: registration of the received faxes or emails.

Date/period: **1st April - 10th April, 2014**

-The registration is done by sending the following in an electronic format.

-The title of the essay

-Student's name and surname

-Coordinating teacher's name

-Grade

-School

-The section where it belongs (there are 3 sections in the contest)

- Rigour and experiment in science
- Knowledge between science and fiction
- Man and society in a changing world

-Abstract of the paper (<200 words)

-Aids: Video-projector, flip chart, etc

To register for the exhibition of posters is necessary to communicate the title of posters, the student/teacher name and surname, grade, school and their format (A3 or A4).

3. Final submissions in electronic format

Date / Period: **April 11 to May 3, 2014**

We receive the essays by e-mail at: adrienneagoe78@yahoo.com

Drafting requirements:

- Papers will be typed single-spaced, in A4, margins 2 cm left, right, top, bottom and the font Times New Roman 12, Justified.
- References will be written at the end of the paper.

Students in the country or abroad, not from Bucharest, can participate in session by sending the essay accompanied by a video presentation of 3-7 minutes that exposes personal contribution, the elements of originality of the work.

We receive the posters by mail or e-mail.

4. Development of the session

Type of activity: presentation

Date/period: May, 10th, 2014

Place: Jean Monnet High School

- Each essay is presented to the audience and to a jury made of 3 members
- The participants present the essays in an electronic format, focusing on the originality, then they hand the CD and the written work to the jury
- Candidates answer the questions addressed by the audience and the jury

5. Prizes

This activity rewards the best essays in a festive atmosphere

Date/period: May, 10th, 2014

Place: Jean Monnet High School

Participants:

- high school students, teachers, parents, local community representatives

Special awards will be given (originality, creativity), Ist prize, IInd prize, IIIrd prize, mentions, participation diplomas. The following programme will take place:

- Presentation of an artistic programme during jury deliberations
- Conclusions
- Awards (diplomas, books)
- Extra awards offered by the sponsors
- Responsibles: organisers
- Beneficiaries: the awarded students and the coordinator teachers
